Terms and Conditions

Software site licences and VLE licences are for an unlimited number of users within the purchasing school.

Cheques sent with orders should be made payable to Focus Educational Software Ltd.

All Focus software programs can be networked and are Windows 7 compatible.

All prices exclude VAT. Please add VAT at the current rate if sending payment with order.

VLE SCORM packages will run on most Learning Platforms. Technical support by phone or email is included free of charge.

School official orders will be invoiced in the usual way. P&P charge is £4.95 excluding VAT for any size order.
